

JANUARY 2004

**PLEASE PASS TO YOUR
ELECTRICAL
DESIGN DEPT.**

Dear Customer

Welcome to our January bulletin. We trust you had an enjoyable Christmas and New Year holiday and have now fully recovered from your celebrations.

We start this year with an important announcement. The Raytel Group has decided to widen its product portfolio by introducing a comprehensive range of control gear, manufactured by CHMY of China. These products will be distributed exclusively by a new Group company - Raytel Controlgear Supplies Ltd. This company will be led by Mr. David Wilson. David joins us having gained many years experience in the Controlgear industry with Moeller Electric and latterly Panel Instruments Ltd.

The comprehensive product range includes:-
• Pushbuttons • Indicator Lamps • Contactors • MCB
• SSR • Switches • Plugs and Sockets • Terminals
• Wiring Accessories • Fuse and Fuse Holders
• Relays • Load Disconnectors • ELCB and many more associated products. These products are of high quality and comply with relevant European legislation. Prices are very interesting.

If you would like more details, please either telephone David on 01268 740290 or complete the fax back sheet over and he will send details to you.

Yours sincerely
Gary Brookes
Managing Director

PRODUCT FOCUS

THE PRODUCT

This month we highlight a new addition to our comprehensive range of Energy Monitoring products.

The KWH32342 is a low cost electronic kilowatt hour meter with electro mechanical digit display. The meter is ideal for cost centre energy monitoring and is fitted with a pulse output as standard.

FEATURES

- Class 1 EN 61036.
- Pulse Output.
- DIN 96 case.
- Large clear digits.
- Wide range of current transformer ratios.
- Very competitive price.

DELIVERY
