Dear Customer

Spring Special Offers on Monitoring Relays and Timers.

We would like you to take a closer look at our Spring Special Offers. As one of the top UK suppliers of instrumentation for nearly five decades, we pride ourselves on the quality of our products and services.

Eighteen months ago we started what has become a very successful relationship with the relay manufacturer Elko ep., and now act as their sole UK distributor. The popularity of the products means that we can now offer some very special prices. We are also happy to discuss further discounts based on quantities.

Enclosed you will find details of our 6 most popular models. These relays are just a small selection of what is available in the extensive Elko range.

Don't delay, fax back today to see what we can save you.
